## EUROPEAN STATE AID LAW QUARTERLY (ESTAL)

The editors of the first pan-European journal dedicated to State aid law cordially welcome submissions for the forthcoming issues, published online and in print. Our high standards of publication have helped to establish a significant European State aid expert community including academics, policy-makers and practitioners.

ESTAL editors seek the following types of contributions:

ARTICLES | CASE NOTES | OPINIONS | BOOK REVIEWS | COUNTRY REPORTS

To guarantee ESTAL's high-quality standards, all submissions are required to conform to the details specified in the author guidelines available at:  
[www.lexxion.eu/en/journals/estal/#authors](http://www.lexxion.eu/en/journals/estal/#authors)

ESTAL accepts submissions of manuscripts on a rolling basis. We encourage authors to write on all major areas of State aid law, economics and policy.

Submissions should be sent exclusively through our online manuscript submission system: **Scholastica**. Submissions by email will not be accepted.

Articles may be submitted after the published deadlines, by arrangement with the editor. Authors receive a free printed copy of the journal.
