EUROPEAN COMPETITION AND REGULATORY LAW REVIEW (CORE)

The Journal provides a practical and intellectual forum to discuss, comment and review all issues raised by the development and implementation of the law and policy governing the area of general and sector-specific competition law in the EU Member States.

For the issues of **CoRe**, we welcome submissions of articles, case notes, country reports and book reviews on, but not limited to, the following topics:

- Major ongoing antitrust matters and procedural trends;
- EU and national antitrust enforcement in network industries;
- Consultation of procedural and jurisdictional aspects of EU merger control;
- Interplay between competition law and data protection;
- Competition rules for the digital single market and the platform economy
- New EU legislative initiatives.

To guarantee **CoRe's** high-quality standards, all articles are subject to double blind peer-review before acceptance for publication and are required to conform to the author guidelines available at: www.lexxion.eu/en/journals/core/#authors

Articles may be submitted after the published deadlines, by arrangement with the editor. Authors receive a free printed copy of the journal.

We are accepting submissions on a rolling basis
