European Competition and Regulatory Law Review

EUROPEAN COMPETITION AND REGULATORY LAW REVIEW

CoRe provides a practical and intellectual forum to discuss and analyse the issues raised by the development and implementation of competition law and policy in the EU.

The editors of CoRe welcome submissions for the upcoming issues, published online and in print, of the following:

Articles | Case Notes | Opinions | Book Reviews | Country Reports

We encourage authors to write on all major areas of competition law, economics and policy, including:

- Significant developments in EU antitrust law and enforcement
- Procedural and jurisdictional aspects of merger control
- Interplay between EU competition law and key regulatory initiatives (DMA, DGA, FDI, FSR, ...)
- Artificial Intelligence and competition law and regulation
- EU and national competition law enforcement in network industries
- The role of innovation or public policy considerations (e.g. sustainability, media plurality) in EU competition law enforcement
- EU competition policy and industrial competitiveness / strategic autonomy

To guarantee CoRe's quality standards, all articles are subject to double blind peer review before acceptance for publication and are required to conform to the author guidelines available at: www.lexxion.eu/core-authors

Authors receive a free printed copy of the journal.
